#### GENERAL INFORMATION

In October the new President wrote a letter to history department chairpersons which included a short questionnaire. What follows is a compilation of the information from the responses we received. In response to comments and suggestions we received the past years, we also forwarded the questionnaire to several colleges. We hope our members will find this information useful and would be pleased to receive your comments or suggestions to this new initiative. The reports format should give the reader some idea of the questions that were posed. If a university is not represented in a certain section, it is because they did not respond to all the questions.

#### INFORMATIONS D'INTERET GENERAL

En octobre dernier, le nouveau président a fait parvenir une lettre aux directeurs des départements d'histoire, accompagnée d'un court questionnaire. Pour faire suite aux commentaires et suggestions reçus l'an dernier, une lettre similaire et un questionnaire ont été envoyés cette année aux divers collèges. Nous espérons que ces renseignements seront utiles aux membres de la SHC et nous souhaiterions à nouveau recevoir vos commentaires ou suggestions, suite à cette initiative. Voici donc les données recueillies dans les réponses reçues à ce questionnaire. Le lecteur pourra facilement se faire une idée des questions qui ont été posées. Si une université est absente à certains endroits, c'est qu'elle n'avait pas de réponse à fournir sur ce sujet.
